What else can Elklan Offer?

SLE leads a school through the Communication Friendly Setting(CFSe) programme

- For information about the Communication Friendly Setting programme, please <u>click here</u>.
- This is a guided journey which involves the whole school making simple changes to provide a more communication friendly environment.
- Evidence is collated into a Learning Log format.
- SLE leads gain a level 4 award in 'Creating Communication Friendly Environments'
- The school gains accreditation from an Ofqual regulated awarding organisation called OCN London.
- It usually takes a year to achieve Communication Friendly Setting status because there are 5 x 1hr workshops and 5 x projects to do, one every half term.

SLE trains to deliver Elklan accredited courses £495

- Having gained a level 3 in 'Speech and Language Support for 3-5s' and 'Speech and Language Support for 5-11s', and support a setting to become Communication Friendly you are welcome to attend a 2 day Total Training Package in the course you achieved your level 3.
- This will enable you to deliver this course to local teachers and TAs within your locality and potentially generate income for your school.
- <u>Elklan Tutors</u> can only deliver courses under licence. One licence is £55 (2018) which will cover NELI and Elklan training.
